Terms to Know

Copayment – A fixed amount (for example, \$15) you pay for a Covered Health Service. The amount can vary by the type of Covered Health Service.

Coinsurance – The percentage of costs of Covered Health Services you pay after you’ve paid your Deductible.

Deductible – The amount you owe for medical Covered Health Services and/or prescription drug services that your health insurance or plan covers before your health insurance or plan begins to pay. For example, if your Medical Deductible is \$1,000, your plan won’t pay anything until you’ve met your \$1,000 Deductible for medical Covered Health Services that are subject to the Deductible. The Deductible may not apply to all services.

Prescription Drug and Medical Combined Deductible – This is the amount you owe for both medical Covered Health Services and prescription drugs (that are subject to the Deductible) before your health insurance or plan begins to pay.

Medical Deductible – This is the amount you owe for medical Covered Health Services (that are subject to the Deductible) before your health insurance or plan begins to pay.

Prescription Deductible – This is the amount you owe for prescription drugs (that are subject to the Deductible) before your health insurance or plan begins to pay.

GHC Select Plan Network – The GHC Select Plan Network gives individuals access to their choice of our six full-service, high-quality primary care clinics in and around Madison, plus access to specialty care close to home through our world-class specialty partners at UW Hospital and Clinics. The Primary Care Clinics are GHC-SCW Capitol Clinic, GHC-SCW DeForest Clinic, GHC-SCW East Clinic, GHC-SCW Hatchery Hill Clinic, GHC-SCW Madison College Community Clinic and GHC-SCW Sauk Trails Clinic.

In-Network – The facilities, providers and suppliers that your health insurer or plan has contracted with to provide Covered Health Services. Visit ghcscw.com and select, “Clinic or Provider” to find In-Network Facilities and Providers.

Embedded – Each individual member has his/her own Deductible and Maximum Out-of-Pocket (MOOP) for a benefit plan. In addition, there is a shared family Deductible and MOOP. The Affordable Care Act (ACA) guidelines for 2020 stipulate that an individual cannot pay more than \$8,150 in out-of-pocket expenses in a plan year.

Non-Embedded – (May also be referred to as Aggregate.) Every member on your benefit plan shares one Deductible and one Maximum Out-of-Pocket (MOOP).

Maximum Out-of-Pocket (MOOP) – This is the limit to the amount you will pay out-of-pocket during a policy period (typically one year long) for Covered Health Services. Once you’ve paid this maximum amount, your health insurance plan will pay 100% of the allowed amount for Covered Health Services. This limit never includes your premium, balance-billed charges or health care that your health insurance does not cover. Some health insurance or plans don’t count all of your Copayments, Deductibles, Coinsurance payments, Out-of-Network payments or other expenses toward this limit.

Benefits payments will be subject to the applicable Deductible, Co-insurance, annual Out-Of-Pocket Maximums, Copayments, Lifetime Maximum Benefits, Exclusions and Limitations and other policy terms and conditions. A member's coverage depends on his or her eligibility under the terms and conditions of the GHC-SCW certificate.

Prior Authorization means advance authorization for specific medical services or treatment. Services requiring Prior Authorization are specified in the Covered Health Services section of the Certificate and in the Benefits Summary. Failure to obtain Prior Authorization may result in a reduction or declination of coverage.

You must submit the initial monthly premium, along with your completed application materials to us. All subsequent premium payments should be sent to us along with a copy of the premium invoice. This Policy will remain in force and will renew for future periods of coverage as long as you pay your premiums on time.
