
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact ETF at [www.ett.wi.gov](http://www.ett.wi.gov). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/glossary/essential-health-benefits/> or call 1-877-533-5020 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0	See the chart on page 2 for your costs for service this plan covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	No	There are no deductibles for this plan, however, <a href="#">copayments</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No	There are no <a href="#">deductibles</a> .
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	Durable Medical Supplies (DME): \$500 per individual. Prescription drug: Level 1 and 2: \$600 individual / \$1,200 family Level 4: \$1,200 individual / \$2,400 family	The <a href="#">out-of-pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The federal <a href="#">maximum out-of-pocket</a> is \$8,150 individual/\$16,300 family. This applies to all essential health benefits, including some services not included in the <a href="#">out-of-pocket limit</a> . (i.e. certain level 3 & 4 prescription drugs and certain hearing aids covered under this plan). See <a href="https://www.healthcare.gov/glossary/essential-health-benefits/">https://www.healthcare.gov/glossary/essential-health-benefits/</a> for details.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Copays</a> for Level 3 and Level 4 non-preferred <a href="#">specialty</a> drugs; <a href="#">coinsurance</a> paid by adults for hearing aids, <a href="#">premiums</a> and health care this plan doesn't cover.	Even though you pay these expenses, they do not count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.ghcscw.com">www.ghcscw.com</a> or call 1-800-605-4327 for a list of network providers.	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	Yes.	This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
