

5 QUESTIONS to ask when choosing a Medicare Supplement Plan

1 How much will I have to pay for premiums, copays, deductibles and co-insurance?

When selecting a plan that's right for you, it's important to remember that price isn't always an indicator of quality. With a Group Health Cooperative of South Central Wisconsin (GHC-SCW) Medicare Select Plan you don't pay co-pays, deductibles or co-insurance when you use in-network providers. Plus, our competitive rates include extra benefits and quality care that isn't available with every Medicare Supplement Plan.
