

Does anyone in your family have asthma?

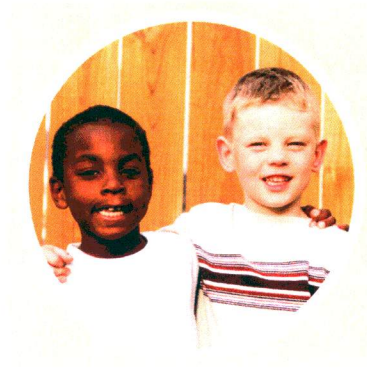

We have research studies for:

- Children 1-12 years old
- Adults 18 years old and up
- People with or without asthma

Studies may include:

- Asthma medications at no charge
- Exams by University of Wisconsin asthma doctors
- Compensation for your time and travel

For information, please call:

1-877-WI-ASTHMA

(1-877-942-7846)

or visit our Web site at:
