

GHC is a National Leader in Employer Group Retention. Here's Why:

Care You Demand. Fee-Free.

Our GHC Care OnDemandSM virtual care options* are quick, convenient and unlimited visits with board-certified doctors and licensed therapists.

Money Back Guarantee

GHC Experience Guarantee. We will refund all of the members' out-of-pocket costs, no questions asked, if they don't get the service at GHC that they expect.

Member-Owner Rewards

Our Member-Owner Rewards program is built on a foundation of convenience, flexibility and money-saving discounts

Team Approach

Our staff-model, and GHC clinics are a one-stop shop for primary care, lab, radiology and pharmacy. Members can always see a member of their care team within 24 hours.

World Class Specialty Care. Huge Network

When you need a specialist or hospital care, you want the best. That's why for decades GHC has partnered with UW Health, UW Hospital and other leading community hospitals.

Personal and Accountable

Group leaders and brokers have a go-to person at GHC, always ready to answer questions and ensure satisfaction for your employees.

Time With Provider

Our providers are paid a salary not based on the number of patients that come through the door. This ensures that providers will spend time and listen to each member.

True-Price

GHC provides the best renewal rates the first time, every time. We believe in cooperative relationships and we value an equal and honest partnership.

Best Quality

GHC is committed to quality improvement everyday, and has been among the highest rated plans in the country for over 25 years.

Member-Owners

GHC is a non-profit, member-owned cooperative. We support and invest in our communities. Members have a voice and elect board leadership.

Choices

If you have two or more enrolled employees, you can offer your staff up to four GHC benefit plans. GHC can also be offered dual-choice with two active employees enrolled.
