| Important Questions  | Answers  | Why This Matters:  |
|--|--|--|
| What is the overall deductible?                                      | \$1,600 Individual / \$3,200 Family Combined medical and prescription drug deductible.   | If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. <u>Deductible</u> exceptions include office visit <u>copays</u> and for federally required <u>preventive services</u> . The <u>deductible</u> starts over with each plan year beginning on January 1st.   |
| Are there services covered before you meet your deductible?          | Yes. <u>Preventive care</u> is covered before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>  |
| Are there other deductibles for specific services?                   | No.  | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | Combined medical and prescription drug out-of-pocket limit of \$2,500 Individual/\$5,000 Family  | Families must meet the full family <u>out-of-pocket limit</u> before your <u>plan</u> pays. The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The federal <u>maximum out-of-pocket</u> is \$9,450 individual/\$18,900 family. This applies to all essential health benefits, including services not included in the <u>out-of-pocket limit</u> . (i.e. certain level 3 & 4 <u>prescription drugs</u> and adult hearing aids covered under this <u>plan</u> ). |
| What is not included in the out-of-pocket limit?                     | Premiums and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://www.ghcscw.com">www.ghcscw.com</a> or call 1-800-605-4327 for a list of <a href="https://www.ghcscw.com">network providers</a> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services  |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | Yes.   | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .   |
