SPECIALTY INJECTABLES PRIOR AUTHORIZATION LIST

Prior authorization is required for clinic-administered injectable medications. Monthly updates will be added to the Prior Authorization list. Providers are reminded to review the Prior Authorization list on a regular basis for any updates or changes which may be added.

PLEASE NOTE: Magellan or GHC Prior Authorization?

The medications highlighted below in **yellow** required Prior Authorization from our partner, Magellan. Please click [HERE](#) to start the Prior Authorization process for these medications.

All other medications on the list below require Prior Authorization from GHC-SCW. Please click [HERE](#) to start the Prior Authorization process for these medications. Please contact Member Services with specific code information to determine if an item or service requires prior authorization. Member Services Phone: (800) 605-4327.

MAGELLAN RX SPECIALTY PHARMACY: When **(and only when)** GHC is the primary payor, select drugs must be sourced through Magellan Rx Specialty Pharmacy. Users will be guided in the Magellan Rx PA portal to set this up. Please be aware that if your practice is accustomed to "buy-and-bill," those claims for reimbursement **will be denied**.
