

GHC-SCW Psychiatry Day in the Life

Group Health Cooperative of South Central Wisconsin (GHC-SCW) is currently hiring psychiatrists in an outpatient setting!

What does a day-to-day schedule look like for a GHC-SCW psychiatrist?

- 30-minute follow-ups with already established patients.
- 60-minute intakes for new patients
- One hour of administration time with seven hours of direct patient care.

Do GHC-SCW psychiatrists have the option to work virtually?

- At GHC-SCW, you will have the option to work from home 40% of the time, with 60% spent in the office. You may spend more than 60% in the office if you choose.
- Generally, intakes are in-person, whereas follow-ups are either telehealth or in-person.

Nursing handles...

- Refills
- Triage Phone Calls
- Prior Authorizations
- Other Forms

As a GHC-SCW psychiatrist you will...

- Have the opportunity to participate in department and organization committees during scheduled clinic hours.
- Have the opportunity to spend time doing e-consults during scheduled clinic hours.
- Have the opportunity to participate in our GHC Foundations - Intensive Outpatient Program.
