

## Primary Care Preferred Plans

Turn your copay into a no pay with **Primary Care Preferred Plans**, where most primary care visits have no out-of-pocket costs.

Preventive and routine primary care are key to keeping you healthy, so we make it easy on you and your wallet to get care. With Primary Care Preferred Plans, there is no copay for most visits to your primary care clinic anywhere in the GHC-SCW network.

- Primary Care Office Visits
- Chiropractic Care
- Behavioral Health
- Urgent Care
