

Autism Spectrum Disorder (ASD) Program at GHC-SCW - Provider Information

The GHC-SCW Autism Spectrum Disorder (ASD) Program is designed to meet the needs of children ages 4-16 with a medical diagnosis of ASD in the area of social skills and/or emotional regulation either in a 1:1 or a group setting (options vary based on program). Parents/caregivers will also receive training and support throughout each program. Parent/caregiver participation is mandatory and necessary for successful outcomes in this program.

SERVICE LOCATIONS

- In-home (must reside in Dane County)
- Virtual (based on child's ability to engage in virtual services)
- At a GHC-SCW clinic (group setting only)

INCLUSION CRITERIA

- Child is age 4-16 years old at the start of services
- Documented medical diagnosis of ASD - 299.00 (F84. 0)
- Child can communicate in full sentences (augmentative and alternative communication included). Interpreter services available
- Parent/caregiver and child willing to participate in services

EXCLUSION CRITERIA

- Major medical conditions that could impact services
- Violence/aggression/property destruction
- Active suicidality or self-harm
- Recent hospitalization for behavior or mental health
- Duplication of Services

INSURANCE PROVIDERS ACCEPTED:

- GHC-SCW Commercial
- Quartz Commercial

The number of accepted insurance providers continues to grow. Please visit the [GHC-SCW Autism Spectrum Disorder Program](#) page on our website for more information.

External Referrals (Non-GHC-SCW Providers)

1. Confirm child and parents/caregiver are interested in services and voluntarily agree to the referral.
2. Navigate to: ghcscw.com/autismreferral and completed external provider referral form. The referral is automatically submitted to a secure portal.
3. GHC-SCW staff will contact the family once the referral is received to discuss next steps.
