| Important Questions | Answers | Why This Matters: |
|--|---|--|
| What is the overall deductible? | \$250 individual/\$500 family | If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . <u>Deductible</u> exceptions include office visit <u>copays</u> and for federally required <u>preventive</u> <u>services</u> . The <u>deductible</u> starts over with each plan year beginning on January 1st. |
| Are there services covered before you meet your deductible? | Yes. Preventive care and primary care services are covered before you meet your deductible. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ |
| Are there other deductibles for specific services? | No | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | Medical: \$1,250 individual/\$2,500 family Prescription drug: Level 1 and 2: \$600 Individual \$1,200 Family | If you have other family members in this <u>plan</u> , no one family member will contribute more than the individual amounts to the overall family <u>out-of-pocket limit</u> . The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The federal <u>maximum out-of-pocket</u> is \$10,600 individual/\$21,200 family. This applies to all essential health benefits, including services not included in the <u>out-of-pocket limit</u> . (i.e. certain level 3 & 4 <u>prescription drugs</u> and adult hearing aids covered under this <u>plan</u>). |
| What is not included in the <u>out-of-pocket</u> <u>limit</u> ? | Copayments for Level 3 and Level 4 non-preferred specialty drugs. Premiums and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| Will you pay less if you use a <u>network</u> <u>provider</u> ? | Yes. See www.ghcscw.com or call 1-800-605-4327 for a list of network providers . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No | You can see the <u>specialist</u> you choose without a <u>referral</u> . However, it is recommended you get a <u>referral</u> to an orthopedist or neurosurgeon for low back pain. |
