

2026 Connections Preferred Provider Organization (PPO) Plans

GHC-SCW Small Group Plans

Our plans are further organized into “Metals” based on the percentage of health care costs shared between you and GHC-SCW.

Small Groups must be headquartered in Columbia, Dane, Jefferson and Sauk counties.

Terms to Know

Connections PPO Plans – Give members access to In-Network Providers through a large national Provider network and the flexibility to see out-of-network providers according to their needs. *This plan is available for members living outside of Dane, Columbia, Jefferson and Sauk counties. If offering Connections PPO: Connections PPO is only available when GHC-SCW is the sole carrier, cannot be sold as a stand-alone product and the employee chooses between Partners HMO & Connections PPO.*

Copayment – A fixed amount (for example, \$15) you pay for a Covered Health Service. The amount can vary by the type of Covered Health Service.

Coinsurance – The percentage of costs of Covered Health Services you pay.

Deductible – The amount you owe for Covered Health Services your health insurance or plan covers before your health insurance or plan begins to pay. For example, if your Deductible is \$1,000, your plan won't pay anything until you've met your \$1,000 Deductible for Covered Health Services that are subject to the Deductible. The Deductible may not apply to all services.

In-Network – The facilities, providers and suppliers your health insurer or plan has contracted with to provide Covered Health Services. Visit ghcscw.com. Under “For Members,” select provider directories, then select National PPO directory.

Embedded – Each individual member has his/her own Deductible and Maximum Out-of-Pocket (MOOP) for a benefit plan. In addition, there is a shared family Deductible and MOOP. The Affordable Care Act (ACA) guidelines for 2026 stipulate that an individual cannot pay more than \$10,600 in out-of-pocket expenses in a plan year.

Non-Embedded – (May also be referred to as Aggregate.) Every member on your benefit plan shares one Deductible and one Maximum Out-of-Pocket (MOOP).

Maximum Out-of-Pocket (MOOP) – This is the limit to the amount you will pay out-of-pocket during a policy period (typically one year long) for Covered Health Services. Once you've paid this maximum amount, your health insurance plan will pay 100% of the allowed amount for Covered Health Services. This limit never includes your premium, balance-billed charges or health care your health insurance does not cover.

Coverage Information

Important: This plan summary provides only a general description of benefits and limitations. You can find a detailed description of coverage in the Individual Plan Certificate. Coverage is subject to all the terms and conditions of the certificate and any amendments. If there is ever a discrepancy between this plan summary and the Individual Certificate, the Individual Certificate has final authority.

Benefit and Provider Information

The GHC-SCW Individual Certificate requires the use of In-Network Providers. Benefits payments will be subject to the applicable Deductible, Co-insurance, annual Out-Of-Pocket Maximums, Copayments, Lifetime Maximum Benefits, Exclusions and Limitations and other policy terms and conditions. A member's coverage depends on his or her eligibility under the terms and conditions of the GHC-SCW certificate.

Prior Authorization means advance authorization for specific medical services or treatment. Services requiring Prior Authorization are specified in the Covered Health Services section of the Certificate and in the Benefits Summary. Failure to obtain Prior Authorization may result in a reduction or declination of coverage.

Premium Rates and Renewal Terms

Your premium is based on a number of factors, including your age and the benefit option you select. Premium rates may change from time to time. You must submit the initial monthly premium, along with your completed application materials to us. All subsequent premium payments should be sent to us along with a copy of the premium invoice. This Policy will remain in force and will renew for future periods of coverage as long as you pay your premiums on time. We will notify you of a premium change at least 30 days prior to your renewal date. We will provide a 60-day notice of any premium increase of 25% or more.

This Policy will become effective as of the date stated in your letter of acceptance. Renewal periods of coverage for this Policy are annually, and occur on January 1 for all policyholders. We will renew this Policy unless we discontinue offering this type of Individual Policy in Wisconsin. The Policy is guaranteed renewable except for the reasons stated in the Individual Certificate, Article II.

Emergency Outpatient Care occurring at an Out-of-Network Provider or facility may be subject to applicable limitations to include reasonable and customary charges, medical necessity determination or other provisions,

exclusions, or limitation of the policy.

Grievance Procedure If a member has a question or concern that can't be resolved by our Member Services Department, he or she can file a written grievance detailing the reason(s) for disagreeing with our benefit or claim payment decision.

We define a "grievance" as meaning dissatisfaction with the provision of services or claims practices or administration of a health plan. This grievance is generally expressed to us in writing by a member or by a member's representative. A member may file a grievance with us by sending their written grievance to:
