

Quick Guide for Collective Care HMO Members

Dane County PCP Members

- Members who have a Primary Care Provider (PCP) within Dane County at Associated Physicians, GHC-SCW, UW Health or UnityPoint Health - Meriter **must use GHC-SCW** for the specialty services listed below.
- The services listed below, if desired outside of GHC-SCW, will require an approved insurance prior authorization (PA). Outside clinics will not allow scheduling of the services below without a prior authorization in place.
- For services not listed below, members have access to UW Health Hospitals and Clinics and UnityPoint Health - Meriter Hospital and Clinics plus select specialty care at Associated Physicians and specialty OB-GYN care at Madison Women's Health and Physicians for Women.
- To schedule an appointment at GHC-SCW, members should call **(608) 257-9700**.

Collective Care HMO: With a PCP Outside of Dane County

- For members who have a PCP outside of Dane County, specialty services should be obtained by an in-network regional health system partner and do not require prior authorization.
- Specialty services unavailable within the regional area should be referred to UW Health or UnityPoint Health – Meriter specialists and may require an approved prior authorization.
- All genetic testing must be completed at a GHC-SCW clinic.

In-Network Hospitals

- Members who see a Dane County PCP should use UW Hospital and UnityPoint Health – Meriter Hospital.
- Members who see a regional PCP should use any in-network regional hospital; or UW Hospital or UnityPoint Health – Meriter Hospital if a regional hospital is unavailable.
- With life-threatening emergencies, members should call **911** or go to the nearest hospital or emergency room.

To schedule an appointment at GHC-SCW, members should call **(608) 257-9700**.

All clinic and provider information is available on our website.
